Managing Consultant

Tim.Lavender@findley.com • 615.665.5305

Tim has over 15 years of experience providing actuarial and employee benefits consulting. Tim focuses on the design, funding, administration, and regulatory compliance of retirement plans. He has served in a variety of leadership roles, including student mentor for the firm's actuarial exam program and manager of internal training seminars for the actuarial services group.

Tim works with governmental entities, not-for-profit and for-profit private employers, and union groups. His clients represent a wide variety of industries including electric utilities, manufacturing, association groups, and educational institutions. Tim uses a breadth of skills to assist his clients in meeting their objectives, including actuarial forecasting, plan design analysis, stress testing, experience studies, and communication initiatives. He seeks to understand the unique needs of each of his clients, create scenarios, analyze results, and work with the client to determine and implement the most effective solution.

Tim is a Fellow of the Society of Actuaries (FSA), an Enrolled Actuary (EA), and a Member of the American Academy of Actuaries (MAAA). He received his BS from David Lipscomb University.
