*Please note, this calendar is designed to provide a general overview of certain key compliance dates and is not meant to indicate all possible compliance dates that may affect your plan.

Footnotes:

1. The due dates in this calendar assume: the plan is a single-employer defined benefit plan; the plan is not a government or non-electing church plan; the plan year is a full calendar year (not a short plan year); the sponsoring employer uses the calendar year as its tax year and a short tax year is not involved; and the plan uses a beginning of the year valuation date.
2. To request an extension to file Form 5330, you must file Form 5558 in sufficient time for the IRS to consider and act on the request before the Form 5330 normal due date (an extension of time to file does not extend the time to pay the tax due).
